A message from our President

Blake Roulette

Dear Member,
Another month has come and gone and it's time for our November meeting. Hope this finds everyone well, enjoying the weather, and having lots of time with your dogs. This month moves us into the holiday

season and we have lots to do. In this season, as in all times, let us remember those that provide us with a safe and secure country to enjoy our sport.

I want to encourage everyone to make an effort to be at this meeting; as we have a very special program and we would like to get started as close to 7:30 pm as possible.

I look forward to seeing everyone at the meeting. Be safe.

Blake

November Program: War Dogs of the Pacific

There will be a short movie at the November meeting that was recently premiered at the Doberman Pinscher Club of America National Specialty. It is especially important in this time of war, terror, and our on-going fight against animal rights activists. The public must understand the positive and life-saving contributions that our dogs make to society.

Its 1942 somewhere in the pacific: Deadly ambushes by entrenched Japanese in the thick jungles take a heavy toll on American troops. Marine commanders were willing to try anything, including using dogs to sniff out the hidden enemy. But even with their superior senses, nobody anticipated just how effective they would be.

'War dogs of the Pacific', directed by Harris Done, tells the incredible story of the marine dog platoons of World War II. It's a heart-warming exploration of the unique bond that formed between the young marines and their dogs-they teamed up to perform dangerous missions. But their success at finding the hidden enemy saved countless lives in the Pacific. These dogs proved themselves worthy of the title, "Man's best friend."

Filled with tales of devotion, bravery and sacrifice, the story is told by the dog handlers themselves. The film follows the men and their dogs through training and into combat. From the invasion of Guam to operations on Saipan, Okinawa, and Iwo Jima, the film is filled with exciting historical footage and many never before seen photos.

Membership News

Eleanor Moore

The first reading of David Hill, husband to current member Fallon Hill, was read at the October meeting. David has been an active volunteer for the past year pushing the Hospitality Cart at the last two shows and was very instrumental in the set up and tear down of the RDO day this past September.

Please remember that the December Christmas Party is a social meeting. While we would love guests and non-member significant others to join us, no membership applications will be read at the party. Anyone interested in becoming a member before our February show should come to our November and January meetings.

Happy Holidays,
 Eleanor Moore

Pear Flan Recipe

Sharon Spiegel

Sharon Spiegel has had a few requests for her Pear Flan recipe and wanted to share it with the club members. She said, "It is very easy to make and would make a wonderful Thanksgiving Dinner dessert."

 Dash salt
 4 pears
 Ground cinnamon
 1 egg
 Confectioners' sugar
 3/4 cup sugar
 1/4 cup dairy sour cream
 1/4 teaspoon vanilla

Fresh strawberries, sliced
 Dollop of whipped cream

Prepare pie crust in pan. Refrigerate.

Preheat oven to 450-degrees.

Peel, core, and quarter pears.
 Cut pears into 1/8-inch slices. Arrange on pie crust in a pinwheel fashion.

Beat together egg, sugar, sour cream, vanilla, and salt; pour over pear slices.
 Sprinkle with cinnamon.

Bake 10 minutes.

Reduce oven temperature to 375-degrees; bake 30 minutes or until knife inserted near center of flan comes out clean.
