A Message from our President

Blake Roulette

Dear members,

Soon it will be time for our next meeting. We were blessed at the last meeting that so many showed up after a very long weekend. I was proud of everyone that showed and won. Also, I am very proud of everyone's work at making the show and weekend a success for all.

We had a lot of volunteers and it made it easy for all.

Thank you to all of our helpers and a special thank you goes to the show committee. You did a great job.

Please plan to be at our next meeting and help keep all the chairs occupied.

Be safe and I will see you in a few days.

Blake

Show Chair Report

Kris Harner

I just wanted to stop by and thank each and every one of you who helped at our show. Without our members and volunteers, we could not pull off a show of this size, and have it go smoothly. The sport of dog shows will only continue, if members help. I hope each of you know how much I appreciate all your work.

We had new challenges this time with a change to how electric could be used. Everyone who was in violation, were courteous when explained how they could use the power. Each person was appreciative of us explaining why the change, and cooperated to adhere to those changes.

We always have small bumps in the road, but we really didn't have much this time. One of the biggest changes this show was obedience ran after BIS. All of you, who were at the obedience area, thank you for putting in such a long day. We have made changes to avoid the long day, and expect July to have a better use of all the judges and bring the day back to a reasonable time.

Once again our trophy table set up was well done, and the picture of Hazel was beautiful. As usual, we had several vendors, repeats and new ones, and lots of variety. This is a very important part of our show as the vendors really help us pay for the building.

I am proud to be a member of the Greenville Kennel Club, and each of you should be as well. Thank you all, I look forward to our show in July, and hope each of you is ready to step in to help make it another successful show.

Kris Harner, Show Chair.

February 2013 AKC Board Meeting Highlights

New York, NY – Highlights from the February 7-8, 2013 meeting of the AKC Board of Directors are as follows. Full details on these actions, as well as other actions taken, are included in the minutes for the meeting, which will be posted on the AKC website.

The American Hairless Terrier, the Norrbottenspets, the Grand Basset Griffon Vendéen, and the Portuguese Podengo will become eligible to compete in the Miscellaneous Class, effective January 1, 2014.

The Board appointed a Legal Outreach Committee to open lines of communication with the legal community. The committee is to be chaired by David Hopkins, with members William Feeney, Martha Feltenstein, Barbara Penny, Margaret Poindexter, and Sheila Goffe. The committee is to report back to the Board with goals and a business plan.

An asterisk is to be used to designate provisional judges (those with provisional status for the breeds when the panel was approved) in premium lists and judging programs, effective July 1, 2013. An asterisk will also be used to designate Delegate Judges in the Judges Directory.

The policy on Visiting Judges was amended to approve Visiting Judges for a group even though they are not eligible to judge all the breeds in that group, as long as they are eligible to judge the breeds constituting at least 80% of the annual entries in that group at the time they are first approved. This will include judges eligible to award CACs in their own country. Previously visiting judges in FCI member countries had to be eligible to award CACIBs in their own countries.

The requirement that a Permit judge be observed was eased. If after six Permit assignments, a Permit judge has not been observed by an AKC Executive Field Representative, that judge will be advanced to regular status.

Effective April 1, 2013, AKC will recognize and record Barn Hunt titles earned at Barn Hunt Association events. Owners may apply to have these titles recorded by AKC on a form that will be prepared by the Performance Event department.
