A Message from our President

Blake Roulette

Hello to all

Hope this finds everyone well and looking forward to our October meeting. We have a program so plan to attend this meeting. We had a very good turnout at the September meeting and hope it continues.

We still have a few open committees and I encourage members to look and step up to fill these spots. Also I would like to see more members volunteering to help with your favorite committee to see if it would be something to think about chairing in the future.

Please be safe

See everyone at Tuesday's meeting

Blake

October Meeting Presentation

Be sure to join us for our October meeting presentation on nose work by **Mira Jones**, founder and owner of Tail lights Dogs.

Mira Jones is an IAABC Certified Dog Behavior Consultant and a professional member of the Association of Pet Dog Trainers (APDT). She is a former CPDT-KA (ask) and a former CNWI (ask).

Mira has more than 19 years' experience working with dogs and dog owners. She has trained hundreds of dogs of all breeds and temperaments, has taught group classes, written training curriculum, lectured on animal behavior, has completed graduate-level courses in Applied Behavior Analysis.

Mira's interest in scent detection was the natural outgrowth of her fascination with behavioral ecology, the study of how animals behave in their evolutionary niche. For Mira, helping companion dogs through scent work is the perfect bridge between training and behavior, between dog and owner, and between urban realities and canine enrichment.

For Sale

I have decided not to breed dogs any more so I have a whelping box and a puppy playpen for sale. The whelping box is wooden and has four sides that connect and come apart and of course there is a puppy rail included. The size is 4 ft.by 4 ft. (plenty large enough for my Boxers).

The puppy playpen is made of heavy durable wood and also has wire on the sides. There is a solid floor for tile and other material suitable for the pups (indoor-outdoor carpet works great).

There is also a door to enter on the side. The playpen is 4 ft.by 8 ft. and is very heavy. Both of these items were made by our neighbor who was an exceptional carpenter. My puppies would advance to the playpen after outgrowing the whelping box where they had more room to play, learn potty training, have a crate to cuddle into, etc. The playpen is good size but is ideal for a playroom, garage, sunroom, etc. I do not have any pictures as all the pieces are separated at this time but if anyone is interested contact me, and you can come look at them.

I am asking \$50.00 for the whelping box and \$75.00 for the puppy playpen. Please call me at 864-905-1230 or email me at wardbk50@yahoo.com if interested.

Thank You, **Becky Ward**
