A Message from our President

Blake Roulette

Hello again

It's time for our meeting and as we know, this is our yearly business meeting.

I encourage everyone to be present. It's time for election and show results also. We had great shows and lots of positive comments on our shows. A big thank you to everyone who made the weekend a success.

Honoring Mary James was a very special event with so many of her family present. This was a good day for all involved. Again thanks to everyone who made this day possible.

On Friday we had another special guest, Rick the K-9, purchased for the Greenville County Sheriff's Office. He wasn't certified then but has been since. I think you all will be proud of him.

Be safe and be at our meeting.

Blake

Sunshine Committee

Becky Ward

I hope everyone enjoyed our show in July and will have lots of brags to report.

A great big congratulations goes to member **Jan Keith** as she and her dog "Lil Rebel Rouser" received their very first obedience title in the Beginner Novice Class A. Way to go Jan!

Glenn Amorosa has returned home from the Mayo Clinic after having some recent surgery on his cervical spine and is recovering very well. Sandra is keeping busy with four week old puppies so she has plenty of work keeping hubby calm and resting and puppies happy!! Get well soon Glenn!

Please keep **Beverly Krautler** and her husband **Robert Krautler** in your prayers and thoughts. Robert has been ill and battling a progressive medical issue for some time with great determination and bravery but now his health is declining and he is in the care of hospice. This year they have moved from Taylors, S.C. To Anderson to be close to their children so we do not see them as much at the meetings. Please give them a call or send a note as I know it would be greatly appreciated.

If you hear of a Member that is ill or just in need of a kind word of support, please contact Becky at (864) 288-6206 or email at wardbk50@yahoo.com. Remember, a simple word spoken in kindness can make a world of difference for a friend in need.

Show Chair Report *Kris Harner*

GKC Members

Thank You to all of you who stepped up to help put on another fantastic show. I had so many people come up and tell me what a great job I did, and every time I told each person, it is a team effort and we couldn't do any of it without the team and the club members. I honestly feel that this cluster works so well because all of us working together to put on these shows, I am proud to be a part of this cluster.

Dawn, wow you hit a home run with our trophies. There were so many people talking about how beautiful the trophies were and the owner handlers were absolutely in awe of those group trophies. There wasn't a single owner handler that was trying really hard for BEST. They all wanted that ribbon. Hope you are up to another year of hitting that home run.

Each show brings attention to areas that we could improve, I am happy to always learn about something else. This year was no different with a few hiccups, but all of those hiccups were minor and what we learned to improve is just icing on the cake.

Another show down, on to the next. I know with everyone pitching in to help, we will continue to have great shows.

Kris Harner

K9 Rick

K9 Rick, who was purchased for the GCSO by the club, was at the show on Friday. More photos of Rick, are on our website at:
