## October 2019

### A Message from our President

*Jeanette Stribling*

Happy Fall! After weeks of above normal temperatures, the weather pattern has finally shifted and cooler temps are here!! Now, if we can just get some rain!

I hope everyone is planning to come to our All Breed and Obedience Match on November 2 at Happy Dogs Training Center in Wellford. Ashleigh, Ken and Debbie have been hard at work to make this a fantastic match! More info will be coming out at our October meeting.

Also, Howlin' for Hope will be held on October 24 at the Lights of Hope Village in Anderson. This event raises funds for the Cancer Association of Anderson and will begin at 5:00. Contact Beverly Childs at [bevchilds@bellsouth.net](mailto:bevchilds@bellsouth.net) for further information.

Enjoy these cooler temperatures with your 4 legged babies!

Till next time,

*Jeanette*

**Transformational Puppy Evaluation and Matching  
Connecting Dogs and Owners So All Thrive  
With Gayle Watkins, Ph.D**

*Oct 26, 2019 9:00AM to 4:00 PM*

*Greenville Outdoor Event Center 295 Sakanaga Trace Marietta, SC 29661*

*This seminar will focus on the why, what and how of puppy evaluations, so that pups are matched to optimal homes where both dog and owner will thrive. Even the best pup won't reach its potential if it isn't in a home where it fits well. The seminar begins with determining why we need to evaluate and match puppies, how to evaluate prospective owners and homes, and evaluating health, structure, and natural working ability. We look at temperament and the components that make dogs more or less successful in their homes. An in-depth look into temperament, identifying those traits that do not change over a dog's lifetime and those that can be influenced by breeders and owners. We will then watch and score an Avidog Puppy Evaluation Test (APET). And try our hand at matching puppies to homes and developing individualized training plans for each pup. After the seminar, all participants will have access to a private resource page on the Avidog website and be invited to join the private The APET Facebook group where we continue the discussions started at the seminar*

### **About Gayle**

*Scientist, retired Army officer, college professor, business owner, and 40-year dog breeder and competitor, Gayle has quite a varied background that she brings to researching and teaching dog lovers that key things we can do in puppyhood so each dog is as healthy and stable over an active lifetime. She is also a Gold-level AKC Breeder of Merit with over 130 American and Canadian conformation and performance champions, as well as Qualified-All Age and Master Hunters. Gaylan's ability to evaluate puppies and place them in the right homes has been essential to her success. Today, her courses at Avidog University and Avidog-Zink Ventures are the Gold Standard for dog breeder education.*

On October 4th, we celebrated our third 4H Dog Show event, Down on the Farm Day, in conjunction with Laurens' Squealin on the Square. **Kris Harner** was our Judge.

**Jeanette Stribling, Ken Spiegel and I** were there to participate in the festivities.

Each event affords us the opportunity to educate these youth and inspire them to participate in the future in AKC activities. They are also anxious to volunteer at our shows next July.

In December we will be meeting with 4-H Leadership to coordinate an agenda for 2020!

**Linda Ayers Turner Knorr**
