Greenville Kennel Club Meetings are held on the 3rd Tuesday of each month at 7:00PM

Note: Special Location

**Butler Springs Park

A Message from our President

Jeanette Stribling

Well, June is here and it looks like we will have a dog show next month!!! I have received several emails from folks from all over who are excited to be heading this way for our show. It will definitely look a bit different from the past, but Kris and her crew are doing their best (and putting in an incredible amount of hours) to make this a safe environment for all. She will keep us updated with any changes.

I hope you can join us next Tuesday, June 16, at 6:30 for our general meeting. It will be held at the outdoor shelter at Butler Springs Park. We ask that you seat only 4 per table (1 per bench) to aid in social distancing. You may feel more comfortable bringing your own chair. We also recommend wearing a mask to ensure that others feel safe. It will be good getting back together again.

Till next time,

Jeanette

Update from Show Chair *Kris Harner*

Greenville Kennel Club members,

Our show committee, along with the Piedmont Kennel Club show committee, has worked tirelessly on putting together our shows. This has been a challenging time for each of us. Many hurdles and roadblocks have come about over the past few months. We have no doubt given our all to bring this cluster to a reality. I want to take a moment to thank those who have put so much effort to getting our show to move forward. We are lucky to have a good relationship with our partner club, and it is this great rapport that has helped us move forward.

A little about what to expect at our shows. We are limiting our entries to 2000, and will not take entries until June 24 at 9:00AM. There is an expectation that entries will fill fast, so if you want to enter our shows, be prepared to get your entries done first thing. My understanding San Antonio limits were met within a day. We will be closed to the public. Of course, you can attend and watch your dogs be shown, so spectators are allowed, but you cannot invite all your friends and family to come watch. We will not provide any chairs, you will be able to have chairs ringside, but we may ask you to move them. The ring and grooming will not be anything like we have had in the past. We are still working out the details. We will be doing free reserved grooming in order to have social distance. Currently, masks will not be required, but be prepared for that to be changed. There is a high likelihood we will not have exhibitor drive in to unload, so be prepared to bring your stuff in on a dolly. There is a high likelihood exhibitors will not be allowed into the building until after lunch. There are many details not resolved. We should have a better idea of exactly what will and not be allowed, and how we will work out details of set up and the day to day workings.

Please be patient as we work out details that will accommodate our exhibitors as well as the State of SC and the City of Greenville. We are working hard to keep everyone safe and still enjoy our shows. Of course if you have any concerns about attending, we completely understand. We will be working with members and non-members to work our shows over the 4 days, there is no pressure. If you have any questions, feel free to contact me. We hope by our July meeting we will have all the unknowns worked out. Hope we see you at our June meeting at the park, it will be nice to be together.

Kris
