A Message from our President

Jeanette Stribling

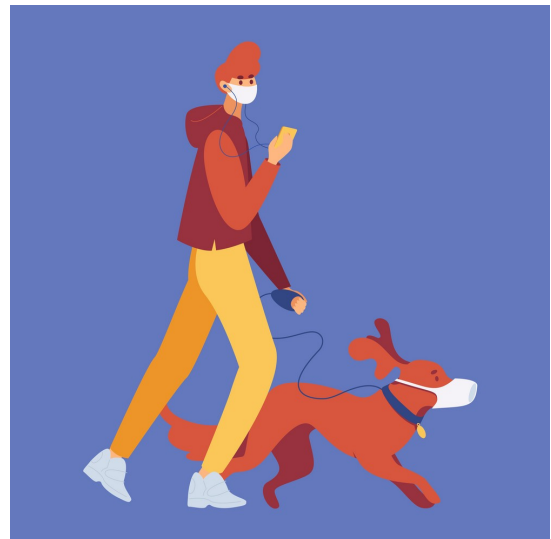

Hello everyone! I hope you are all doing well and maneuvering your way through these tough times. At my house, we have been using Zoom for Missional Community group, Huddle group, my school classroom and GKC board gatherings, and I am sooo ready for some real-time!

Well, we were unable to have our May picnic but will look at dates for the Fall and let you know soon. Kris will update you on any show news but at this time we are hopefully optimistic! Also, look for news on training classes soon.

Take care everyone! We will get through this crisis and be back in the show ring soon!

**Till next time,
Jeanette**

Update from Show Chair *Kris Harner*

GKC Members:

As we move forward towards our show dates, we are still hoping to hold the Conformation and Juniors event.

We have cancelled obedience and rally and pee wee events.

The goal is to spread out all the necessary rings and grooming area.

There seems to be a rumour we have or are cancelling our shows. *Rest assure that is not the case.* If you hear or anyone comments to you, please inform them that is not true and they are welcome to contact me.

SC has opened more and we will see how that plays out. I continue to work with our State Governor. We will follow local and state requirements.

Stay well, Hope we will be able to get together soon!

Kris

Hello all GKC members!

I sincerely hope that everyone is staying well and safe and enjoying their time at home as much as possible with the Covid-19 limitations that we have but at least certain businesses will be opening this next week and some restaurants are now.

I surely do hope that we will be able to hold our Greenville Cluster shows this July!!! Praying for good news from Kris!!

Longtime member Bobbie Fairbanks is doing fairly well after her broken hip surgery in April. She has continued to have assistance with 3 caretakers but she tells me this will end soon after this coming weekend. She still has some pain and swelling in her right leg (the injured side) but she has physical therapy and knows that it just takes time and she is happy to be home with her dogs. A friend is keeping the young pups for Bobbie's safety right now. I am planning a visit to her on Friday and taking her a meal from the Club as she had wanted to wait awhile. I will check on her and make sure she is safe also at home.

Please notify me if there are any other needs or illnesses in the Club!!! Thank you!!

A big shout out goes to all of our May Birthdays!!

They are: **David Maltby** 5/4, **Bev Crosby** 5/8, **Patti Pennington** 5/15, **Thecla Tyner** 5/15, and **Allison Wyman** 5/20.

Everyone celebrate well but safely and a big Happy Birthday to anyone I have missed and any of our new members.

I hope to see everyone soon so until then please stay safe and enjoy your beloved dogs!!!

Sincerely,

Becky Ward, Sunshine Chairperson

No dog activities but Cheri is planting a "Butterfly Garden" and we put this in for the centerpiece.

Can't wait to get back to dog activities!

Deborah Craddock

In spite of the lockdown, we were able to continue Kurgan's (8 month old BRT) socialization and basic obedience training. He attended the group that came together to celebrate the SC Air National Guard's flyover of Health care workers and first responders. There he drew a crowd of young admirers.

And he participated in "Howling for Healthcare Workers", Laurens Memorial Hospital's salute to their staff. He and some four legged buddies greeted the oncoming and off going shifts in a bit of a pet therapy session.

Lots of smiles all around.

My two 11 week old puppies, Miller and Thelma Lou were selected to be part of an artists project for Boykin Spaniels. We went to her studio and also took the mother, Tommie and we had a blast doing a photo shoot!! (social distancing was practiced and it was just 2 people and 3 dogs!)

Here's one of the images that she has released with more to come in the future! (Miller is in this photo).

I'm excited to see her "vision" for the overall project, but I also thought that members might be interested in her work and she has some upcoming pet portrait sessions coming up in June!! .

She was a lot of fun to work with and I was amazed at her ability to capture the images she wanted from these little wiggle worm puppies!!

The artist is Maria Sampaio and her studio is:
