June 2021

A Message from our President

Jeanette Stribling

June is here and the countdown to our show has begun! Kris and her crew have been hard at work once again to put on another fantastic show. We are currently holding two different “Show-n-Go” classes, at Speedy Paws and Happy Dogs, to get your dogs ready for the ring next month!

It was great seeing so many of you at our “Spring-Fling” a few weeks ago. I have received so many positive comments and Thank-Yous for a much needed night out. The music was awesome, the food was delicious, and the fellowship was incredible. It has been a long time since we have been able to get together with friends and just catch-up on the past year.

Our general meeting this month will once again be held at the shelter at Butler Springs on Tuesday, June 15. This has been a great facility for the past few meetings but hopefully we can get back to indoor meetings soon.

Till next time,

Jeanette

We will continue to follow CDC and State mandates on masking.

That being said, masks are now optional, especially for those who are fully vaccinated, but you are encouraged to continue wearing a mask if you are not yet vaccinated, for your own safety and that of your fellow club members, or if your personal comfort level is higher wearing one!

Be safe!.

Message from Show Chair

Kris Harner

This year's show is getting into the busy time of preparation. The Premium list is being sent out electronically, as all shows are currently. Hopefully you have received yours. As noted in the premium list, those who are vaccinated do not have to wear a mask, we will have a few judges that have asked for exhibitors to wear a mask in their ring vaccinated or not. Please respect the judges wishes and wear a mask in those rings.

We are open to the public, and we will not have entry limits. The layout will be the same as last year, 8 rings in Hall 1 and 8 rings in Hall 2. We do have the ability to add a couple of rings in Hall 1 if the entry warrants needing additional rings. The golden ring is the only ring we have not placed and we will figure that out after entries close. We will be allowing all dryers back this year. We will not be providing chairs, except for Judges and stewards, so bring your own chair. We will have ring side crating, crates will need to be removed 30 minutes after the conclusion of the breed judging. There will be paid reserve grooming for those who have 6 or more dogs and want a dedicated power drop, or for 8 or more dogs who will use shared power. You are welcome to get with your friends, if you want, to have enough dogs to reserve space. The paid reserve grooming will be based on the number of dogs you have, breed, and the crate sizes. The AKC Booth will be back this year and will have the ability to give CGC and Trick dog testing.

Wednesday, we will allow vendors to drive in to unload, they will have to be out by 1pm, Exhibitors will not be allowed to drive in, unless we can figure out a driving path that will not affect the grooming and crating areas.

We will be looking for volunteers for Wed, and of course our days, Friday and Sunday.

As always, if you have any questions or comments, feel free to reach out to me, via email or phone.

Kris

Members' Brags - cont.***Silver Entrekin***

My name is Silver Entrekin and I am owner of Silver's Reigning Heir Poms. I have owned dogs all my life but one day in 2003 an unexpected surprise happened. I became the new owner of a Pomeranian puppy from some nice lines and my heart melted right then and there. I knew that very moment that Poms were my heart breed.

In 2017 I began diving in deep and learning all I could in a 5 year plan to become a show breeder.

I have been under mentorship for a year and my mentor says I am ready and decided to retire from showing and breeding and is handing the reigns over to me. The past 4 years have been an amazing learning experience and I know I will continue to learn everyday!

My second Reading is scheduled to be done at the June meeting as far as I know. I am a new member in GKC specializing in Pomeranians. My show babies "Silver's Reigning Heir Glory Luster" and "MC's Reigning Heir Magical Revue" are beginning conformation classes and will begin showing in the coming months.

I am so excited to finally arrive at the threshold of a new beginning.

Next Board Meeting - Tuesday, July 13, 2021, 7PM, via Zoom video conference. Any member is welcome to attend; however if you have business for the Board to address, it must be submitted in writing to a Board member at least one week prior to the meeting. Minutes are published on the Club website.
