## August 2022

### A Message from our President

*Jeanette Stribling*

**Congratulations to all on yet another fantastic dog show. In my five years as President, this one topped them all! Please take a moment to thank Kris and her gang for all the time they put in to make this happen. Also, the flowers were amazing! So thankful we have Sharon to make us shine!**

**Please plan on attending our meeting next week. Jordan Smith, from Auburn University, will be our speaker and will be discussing research on early life experiences of canine development. Michele Christian has a great line-up of speakers for our meetings for the rest of the year.**

**Also, there are a few things coming up:**

- **Rally trials will be held on August 20<sup>th</sup> and 21<sup>st</sup> at Happy Dogs**
- **Obedience trials will be held on September 17<sup>th</sup> and 18<sup>th</sup> at Happy Dogs**
- **Halloween All-Breed Match will be held on October 29<sup>th</sup> at Happy Dogs**

**Till next time,**

**Jeanette**

**August Membership Meeting

**Hospitality starts at 6:30PM - Meetings start at 7:00PM**

**Boiling Springs Fire Department, Station 15  
Training Center  
208 Blacks Dr Greenville, SC 29615**

**Speaker: Jordan G. Smith** is a doctoral student in the Cognitive and Behavioral Sciences Program at Auburn University. She holds a B.S. in Biology from Bob Jones University in Greenville, SC and a M.S in Psychology from Auburn University. After finishing her undergraduate degree, Jordan was a research assistant at the Penn Vet Working Dog Center in Philadelphia, PA where she participated in research with scent-detection dogs, specifically working on an ovarian cancer detection study and conducting behavioral evaluations on working dogs in training.

Jordan is currently a graduate research assistant at Canine Performance Sciences and a member of the Comparative Cognition Laboratory. Her current research examines the impact of early olfactory experiences on the behavioral and cognitive development of working dogs, as well as how olfactory enrichment and odor discrimination training during early development impacts odor detection proficiency as an adult. She also assists on other projects at Canine Performance Sciences and with pet dogs in the local community exploring cognitive development, odor memory, odor detection thresholds, and how cognitive tasks can be used as a measure of working dog success.

**Message from Show Chair**

***Another incredible show!***

**Thank You** to each and everyone who volunteered and worked at our shows. Our club always rises up to put on an incredible show.

**Jamie Clute** is a huge help in getting the building taped and set up before our shows; **Tracy Iffland**, always brings great vendors; and **Sue Dwelly**, my right hand, does more than anyone. ***I couldn't do it without these three.***

**Sharon Smith**, what can I say, but **WOW!** You have added so much to bring our shows into a class of its own. The flowers, arrangements, and overall presentation, is the envy of any club. The compliments were never ending. Exhibitors from other clubs said "they need to step it up." We are so honored and lucky to have you to bring this show up to the recognition it is getting, all due to your work. Thank You for all you have done. Looks like you will be the main feature from here on out.

**Jackie Mathis**, thank you for working on the security and keeping the K9 unit involved. Seeing Matt's face, getting the group picture and when Lenny Brown gave Matt our group trophy, was priceless.

**Ken and Debbie Walker** have one of the hottest jobs. They take care of our RV exhibitors. This work is not easy being out in the heat. Thank You.

Hopefully a few of you stopped in for the Show chair seminar, I hope to hear from some of you.

***We should all be so proud of our club; our members step up and know how to put on a first class dog show!***

Kari Hill reports that her parents Tom and Charla tested positive for Covid following our shows. Tom is a former GKC President. It was great having the all the Hills ringside!

Recording Secretary Jan Clifford is also struggling with the same dreaded illness that is unfortunately rampant all around the country right now.

Be careful and let me hear from you if you or should you know of other members who need our thoughts and prayers.

*Happy Birthday to all our August members!*

Just picked up my very first conformation puppy ... and in love! ❤️

I've been a member of GKC for a year, and met Alexandra Fowler through the kennel club. She has mentored me and suggested good breeders.

I'm very excited for the future with this guy!

Finished *A'Capella Flamenco*, Papillon,  
from the Bred-by-exhibitor class (my 7th Bred by Champion)  
on Saturday under Dr Iola.

He needed 3 single points and finished in style  
with a 4 point major.

His first points were at the Foothills Cluster in 2021  
when he was 6 months and 3 days old.

Moved him to best of Breed on Sunday and he was Select dog  
for 5 point Grand Championship major and a champion defeat.

The long hot summer continues at the StoneHouse. While trying to stay cool we have made some progress training the Willi Nelson puppies. Mom Willett sat out the Greenville shows while I focused on showing "the girls." At eight months they were younger than other class dogs but we are excited about all the wonderful comments we are hearing from judges. We are not competing the litter mates against each other so both showed two days each in Bred by Exhibitor.

Tipsy Pompette showed well both days she was in the ring but did not get any points. **Savvi Saveur** took the **major on Thursday from the BBE Class** under Judge Mr. Allen Odom over a great lineup of Class PBGVs. It was a really nice win for this very young bitch over older bitches.

Also during late June and July the puppies continued their training with our good friend Jane Fink at Anderson Dog Works.

**Tipsy** received her **Trick Dog Novice** and **Intermediate** and **CGC Advanced titles**.

**Savvi** is still working on her three minute down (she insists there is a lot she can do in three minutes other than stay in a down) so she still hasn't passed her CGC Urban but...she did title in **CGC, CGC Advanced and Trick Dog Novice and Intermediate**.

We look forward to what the future has in store for:

What a wonderful, exciting four days I had with the Mack's sweet Benni at the Carolina Foothills Cluster!

Benni is my Tanssi's niece which made being on the other end of her lead even more special.

In four days of the cluster, **Benni earned one - 4 point major, three - 5 point majors, 1- BOW, her CHAMPIONSHIP, 10 Grand Champion points, BOS 3 days, and got a win over a special.**

What a thrill it was for us all to see this beautiful girl blossom. It was also wonderful to have such a great entry at our show of Greater Swiss Mountain Dogs having enough for majors every day.

Pending AKC approval, I now introduce:
